Dan Bash extends an invitation to call and listen to the Radio Concerts over his improved receiving set at any time. A radio set is cheaper and more entertaining than a photograph. The best Christmas present for the whole family. See Mr. Bash for prices. Entertainment every evening beginning at 7:45.

Rev. E. S. Bishop, of the Attorney-General's department, who is liquor act commissioner for the province, was the special speaker in the Union church Sunday evening. His address came as a revelation, clearly proving the fallacy of the statement that conditions are worse under prohibition than in the days of the open bar. The address was much appreciated.

The annual meeting of the Women's Institute will be held at the home of Mrs. R. F. Edwards on Wednesday, December 13, at 2:45 p.m. Election of officers. All members are requested to be present. The fire broke out in the hay loft, and had made considerable headway before the water took effect, there being some difficulty with the fire hose. Fortunately there was no wind and the fire was confined to the one building. Just how the fire originated is a hidden mystery which will never be told. The damage is considerable, with about \$200 damages.

ARE you quite, quite sure you are wearing the best? Let's say that we are, then making ourselves a little bit conspicuous, and our heads bowed, and the least little bit uneasy because we do not realize what the years are doing to us? Especially to our figures? Are you quite sure you are not interested in this really wonderful Type Corsetry that Gossard artist offers?
